Subject: Approval of the Revised Reclamation Cost Calculations, C.S. Mining LLC, Hidden Treasure Mine, M/001/0067, Beaver County, Utah

Dear Mr. McMullin:

The Division has concluded its review of the revised reclamation cost calculations for your Hidden Treasure mine, and the Division approves the revised reclamation surety amount of \$4,920,000. The reclamation surety will be reviewed periodically to assure that the bond remains adequate.

We will notify Ironshore Indemnity Inc. that a reduction of the reclamation surety to no less than \$4,920,000 is acceptable.

Enclosed is a copy of the "approved" reclamation cost calculations for your files. Please keep your plan current by submitting changes using Form MR-REV-att, located at www.dogm.utah.gov.

All future correspondence should reference M/001/0067. Thank you for your help and patience in finalizing this permitting action. Please call me if you have any questions in this regard.

Sincerely,

Dana Dean
Associate Director of Mining
